ABOUT TEL AVIV UNIVERSITY

Tel Aviv University is Israel's largest and most comprehensive university, attracting talented students and renowned faculty from around the globe. Ranked among the world's top 100 universities, TAU has a strong interdisciplinary focus and collaborates closely with many leading institutions in the USA and Europe. The campus is located in Tel Aviv, the financial and technology capital of Israel—which is known for its entrepreneurial atmosphere and large number of start-up companies. With the growth of high-tech industries, the Tel Aviv metropolis has become an international hotspot for business and innovation—an ideal setting for an enriching study experience.

ABOUT TEL AVIV UNIVERSITY INTERNATIONAL

TAU International programs are designed for students who are eager to challenge themselves with an intensive academic schedule. Programs combine classroom learning, field trips, overnight excursions, social events, and much more. Students also gain real-world professional expertise through internships, guest lectures, and workshops with some of Israel's leading experts. A global hub on campus, the TAU International Center is the international students' home during their time in Tel Aviv. Our welcoming staff is always available to answer questions, and events are organized regularly for international students and faculty.
